

United States Department of State

Washington, D.C. 20520

JUN 24 2004

Dear Mr. Speaker:

Pursuant to Section 36(c) and (d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad and the export of defense articles or defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of technical data and defense services to the Republic of Korea for the manufacture of selected components and the assembly of the Korean Electro-Optical Tracking System for end-use by the Republic of Korea Army.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul V. Kelly", written over a horizontal line.

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. DDTC 044-04

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
